CONTRIBUTORS

March 2017

Nana Supriatna is a professor in History Education, earned his M.Ed. from Deakin University in Australia and Ph.D. from Indonesia University of Education. He is teaching *Indonesian History* and *Pedagogy of History* at the Department of History Education, Universitas Pendidikan Indonesia (Indonesia University of Education), Bandung, Indonesia. He is the author of History textbook for Indonesian High School.

Arthur Chapman is Senior Lecturer in History Education at the UCL Institute of Education, University College London, a Fellow of the Royal Historical Society and an Honorary Fellow of the Historical Association. He is a series editor of *The International Review of History Education*, associate editor of *The London Review of Education* and *The International Journal of Historical Learning, Teaching and Research* and a member of the editorial board of the *Curriculum Journal* and he was co-editor of *Teaching History* for seven years. He has published widely on aspects of history pedagogy and his research interests include comparative curriculum research, children's thinking about historical interpretations and the uses of interactive technologies in history teaching.

Yosanne Vella is an associate professor in history pedagogy in the Faculty of Education at the University of Malta. She is a history teacher trainee and she lectures on various topics on history teaching. She was part of the Committee of the Education and Culture of NGOs at the Council of Europe up to 2014, and one of the editors of the online textbook *Historiana* published by Euroclio, the European History Educators Network. She is one of Euroclio's ambassadors. She is the Vice-President of both the Malta History Society and of the Maltese History Teachers' Association.

Norio Ikeno, Ph. D. was Professor of the Graduate School of Education at Hiroshima University, now (from April 2017) is Professor of School of

Childhood Sport Education at Nippon Sport Science University, Japan. His main research interests are international comparisons and new approaches to citizenship/social studies education. His most influential publication is *Citizenship Education in Japan* (Continuum, 2011).

Nasution earned his Ph.D. from Hyogo University of Teacher Education, Japan. He is associate professor in History Department and the head of social studies department, graduate school Universitas Negeri Surabaya (the State University of Surabaya/Unesa). His research interest is Indonesian history education. He can be contacted at nasution@unesa.ac.id or nasutionm@yahoo.com.

Kiyomi Iwano is an Associate Professor of Education in Social Studies Education at Wakayama University in Japan. She started her career as a social studies teacher of a junior high school. Her research interest is citizenship education, deliberation and democratic teaching practices. She can be contacted at iwano@center.wakayama-u.ac.jp.

Hiromi Kawaguchi earned her Ph.D. from Hiroshima University and is Associate Professor of Education in Social Studies Education at Shiga University in Japan. Her research interest is citizenship education and curriculum studies of social studies. In the past two years, she has been conducting comparative research between Norway and Japan examining how the pre-service teacher receive the concept of citizenship and human rights. She can be contacted at hkawaguchi@edu.shiga-u.ac.jp.

Kazuhiro. Kusahara is a professor of social studies education at Hiroshima University, Japan. Most of his scholarly writing concerns the curricular-instructional gatekeeping in Social Studies teachers, and the rationale of citizenship education. He is currently writing books on the teaching territorial issues and the research methodology. He has taken office as secretary general of Japanese Educational Association for the Social Studies. He is also active in the social studies profession, for example, he has consulted with the public

schools in Hiroshima for professional development (lesson study).

Masato Ogawa is currently a Professor of International Education at International Pacific University, Okayama, Japan. He teaches Elementary Social Studies methods, Introduction to International Education, and a variety of education courses for Japanese and international students. He received the Excellent Teaching Award in 2014. He also has been serving as a chair of the Department of International Education since April 2015.
